Dear Parent/Carer

Re: Year 11 GCSE Results

I hope that you and your family are well. As I write we are very close to our last day of the school term. It certainly is like no other end of term that I have experienced in my teaching career. I appreciate how different the events of the last few months must feel for you too as back in March we finished school so suddenly and your son/daughter faced the turmoil over the cancellation of GCSE examinations.

We have spent considerable time over the last few weeks reviewing our arrangements for the issuing of GCSE results this Summer, on Thursday August 20th. As pupils have faced so much disruption and there has been distance between us as a school community we really wanted to issue these results on site. In arranging the collection of results there have to be very clear procedures to ensure the safety of all individuals involved; pupils and school staff. As a result our arrangements are slightly different this year and I ask that you explain the procedure to your son/daughter and the necessity for them to fully comply with the arrangements.

Please note that:

- School will **only** be open from **8.45am – 9.45am** on Thursday 20th August 2020;
- Pupils will be issued with a specific, fixed location where they must go to collect their results;
- Pupils must go directly to and from the result collection venue and not wander the school site and maintain social distancing at all times;
- Under no circumstances should a pupil attend school if they feel unwell, or have any of the three identified Covid-19 symptoms
  a) a new continuous cough
  b) a high temperature
  c) loss of taste or smell
- Neither should a pupil attend school if they have tested positive for Covid-19 in the last 14 days; live in a household with someone who has symptoms of Covid-19 or has tested positive to Covid-19 in the past 14 days;
- If a pupil is uncertain about their results and needs guidance on results day we will only be able to offer limited face to face interaction so please collect your results then make an appointment for a telephone consultation with us that morning. We will be able to offer help and guidance over the phone up until 11am (01656 740294) and
- Please ask your son/daughter to continue to monitor Google Classroom and their emails in case there has to be any change to these arrangements.

Thank you in anticipation of your full support.
Best wishes

Mrs.H.Castle
